

## **Over 120 Organizations and Businesses Endorse the Genetically Engineered Food Right-to-Know Act Introduced by Senator Barbara Boxer and Congressman Peter DeFazio**

We, the over 120 food businesses and retailers along with consumer, public health, environmental and animal protection organizations and farming and fishing associations endorse the Genetically Engineered Food Right-to-Know Act of 2015 introduced by Sen. Barbara Boxer (D-CA) and Congressman Peter DeFazio (D-OR) to require the labeling of genetically engineered (GE) foods.
